The points of diversion for this application are further described as being within Bingham, Bonneville, Fremont, and Jefferson Counties, Idaho. If approved, the applications will be subject to all prior water rights and will authorize recharge of water to the Eastern Snake Plain Aquifer in Idaho during times when there is water in excess of existing water rights and established minimum flows. Permits will be subject to all prior water rights. For additional information regarding this application, you may contact IDWR State Office at (208) 287-4800, or for a full description of the application, please see www.idwr.idaho.gov/apps/ExtSearch/Writing.asp.
